DUPLICATE FILING (Original Not Docketed)

Dear Examiner:

The attached Power of Attorney was filed October 12, 2004 regarding the above-listed patent applications in Group Art Unit 1700, five of which are in GAU 1732. A copy of the return-receipt postcard, date-stamped October 15, 2004 by the USPTO, is also attached. This POA does not show up on PAIR as being scanned in any of these applications. We are attempting to get these applications on the PAIR system, which that department cannot do until the Power of Attorney is correctly docketed. We have made phone calls, but have not been able to get any answers. Would you please assist us in this endeavor?

Thank you for your time.
